

## SEVENTH FRAMEWORK PROGRAMME

### THEME REGPOT-2011-1

#### Support actions

**Project acronym:** ACROSS

**Project full title:** Centre of Research Excellence for Advanced Cooperative Systems

**Project reference:** 285939

**Start date:** 1 October 2011

**Duration:** 42 months

#### **Deliverable no.: D4.3**

**Title:** Report on equipment presentation

**Contractual date of delivery:** November 30, 2012

**Actual date of delivery:** November 30, 2012

**Lead beneficiary:** UNIZG-FER

**Editor(s):** S. Bogdan

**Contributor(s):** S. Bogdan, M. Bukal, I. Cvišić

**Reviewed by:** Project Management Team

**Approved by:** Project Management Team

**Work package(s):** WP4: Reinforcing research infrastructure

**Nature:** R

**Version:** 1.0

**Total number of pages:** 9

**Dissemination level:** PP

#### **Summary:**

This deliverable contains report on presentation of newly procured equipment. Only limited number of photos is included. Most of material produced during presentation is available for download from ACROSS web site.

**APPENDIX..... 11**

## Equipment presentation

The equipment presentation took place at the University of Zagreb, Faculty of Electrical Engineering and Computing (UNIZG-FER) and newly established Centre of Research Excellence for Advanced Cooperative Systems (see Figure 1), on November 21, 2012 (it must be noted that this was the main presentation - some parts of equipment were presented to the public earlier during the project, through media, and in many cases through on-hands experience, especially in case of visitors from high schools and other faculties).

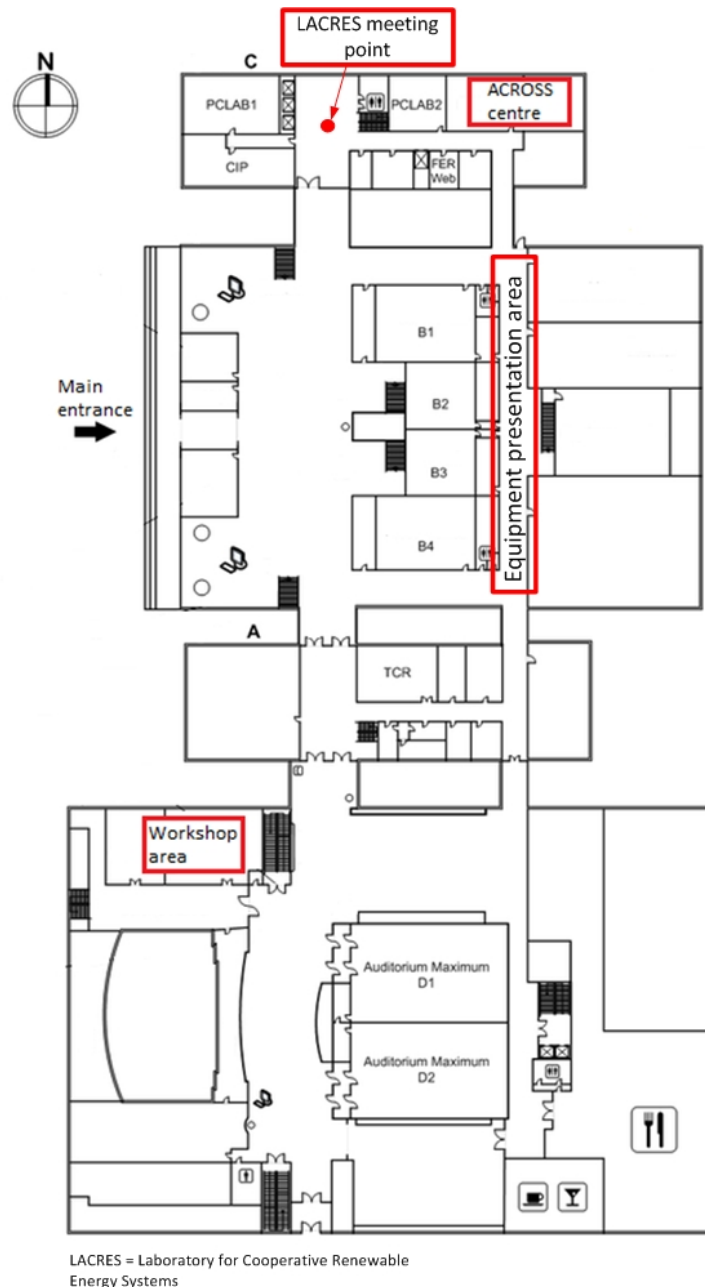

Figure 1. UNIZG-FER layout with the equipment presentation area and ACROSS centre.

The presentation was organized as a part of Joint Workshops on Structural Funds and Research Driven Clusters, organized by ACROSS. This event has been chosen for the presentation due to the

fact that most of workshop registrants were officials from government, public services, Croatian companies and other stakeholders. Furthermore, the project Steering Committee members were present at the workshop, so this was good opportunity for them to observe the equipment and share their experience with the project staff.

The presentation was organized after the workshop in two time slots – from 13:00 to 14:30 for the workshop participants, and from 14:30 to 16:00 for public. A video clip, demonstrating the equipment functionality, has been presented at the beginning of the presentation. The clip is available for download from ACROSS web site [http://across.fer.hr/across?@=2buv3#news\\_63145](http://across.fer.hr/across?@=2buv3#news_63145).

During the equipment presentation Croatian national television filmed a feature story on the equipment and the ACROSS project and broadcasted it in the show "Scientific News" at 18:15 o'clock on Thursday, November 22, 2012.

Due to numerous parts, most of the equipment, mainly electronic devices, has been placed in a long corridor so that visitors could walk from the workshop area down to the corridor towards ACROSS centre (Figure 1). Each part of the equipment has been accompanied by postdoc or PhD student, ACROSS employee, so that functionality of equipment was demonstrated to visitors. Selected photos are given below.

Larger parts of the equipment, mainly outdoor mobile robots, were presented at ACROSS centre, where students demonstrated their functionality.

The third part of presentation took place at 13th floor of FER building, where renewable energy resources equipment was demonstrated.

# Appendix

The list of workshop participants that attended the equipment presentation.

### LIST OF PARTICIPANTS

November 21, 2012

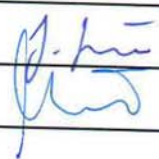

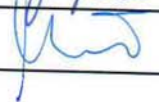

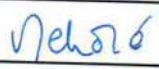

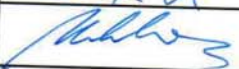

No.	First name	Last name	Institution	Signature
1	Davorin	Ambruš	University of Zagreb	
2	Zoran	Aralica	University of Zagreb	
3	Bojan	Baletić	University of Zagreb	
4	Željko	Ban	University of Zagreb	
5	Mato	Baotić	University of Zagreb	
6	Goran	Basarac	Ministry of Economy	
7	Vedran	Bilas	University of Zagreb	
8	Hrvoje	Bilić	Spotrack	
9	Vedran	Bobanac	University of Zagreb	
10	Stjepan	Bogdan	University of Zagreb	
11	Carlo L.	Botasso	Politecnico di Milano	
12	Karla	Brkić	University of Zagreb	
13	Mario	Bukal	University of Zagreb	
14	Eduardo F.	Camacho	University of Seville	
15	Igor	Cvišić	University of Zagreb	
16	Ivan	Čuljak	Brodarski Institute	
17	Ebonita	Ćurković	HIT	
18	Bojana	Dalbelo Bašić	University of Zagreb	
17	Marko	Delimar	University of Zagreb
